NO. 63.

M. S. Hubble Passes to Great Beyond.

M. S. Hubble, the well-known Eugene drayman, after an eight-months' illness of tuberculosis of the spine, died at his home on Olive street between West Fifth and West Sixth, this morning at 1 o'clock. The funeral will be held at the residence Friday afternoon at 3 o'clock, the services to be conducted by Rev. O. C. Wright, pastor of the Baptist church. The Eagles will have charge of the services at the grave in the I. O. O. F. cemetery.

Monroe Smith Hubble was born at Stanford, Lincoln county, Ky., Dec. 30, 1855. He was united in marriage on his 21st birthday, Dec. 30, 1879, to Miss Emma Moss, of Winchester, Ill. From this union five children were born. They moved to Eugene in 1888 and had been here only nine months when Mrs. Hubble and two sons were drowned in Willamette river near this city. On June 24, 1893, Mr. Hubble was united in marriage to Miss Minnie Farrow, of Eugene, who survives him with his daughters, Mrs. Arthur Merrill, of Speer, Ill., Miss Cecil Hubble and Mrs. James Grant, of Portland.

Deceased was a man of genial disposition and had hosts of friends. He was in the transfer business here for several years until he was taken sick eight months ago, and from that time was never able to work. He underwent three surgical operations during his illness and spent several months in St. Vincent's Hospital at Portland, being brought home only a short time ago. He was a member of Eugene Aerie No. 275, Fraternal Order of Eagles, and the Sons of Veterans.—Eugene, Oregon, Guard. Mr. Hubble was a son of the late M. P. Hubble, of this county, and brother of Mrs. C. C. Terry, of the Green river section.

WAYNESBURG.

The Waynesburg Deposit Bank is almost completed.

A large crowd attended the Sunday school convention here Sunday.

J. M. Reynolds has plenty of seed wheat and winter oats for sale.

Politics is all the talk here now. Everybody thinks Bryan will be our next president.

A good rain fell here Monday week, which was much needed as dust was almost ankle deep.

Charlie D. Reynolds, of Ohio, is here with relatives. On account of ill health R. D. Padgett has broken up house-keeping and gone to Kingsville to live with Mr. and Mrs. Daniel Hester. Rev. M. G. Tuford, of Middleburg, attended the Sunday school convention.

Our noted horseman, Tully B. Caldwell, has the finest horses ever seen in this end of the county. Among them are his fine three-year-old stallion, King Eagle, Jr., by S. T. Harris' King Eagle, and Queen Eagle, a two-year-old filly and a great saddle. He can be seen most any time riding through our little village at full speed with a long smile on his face. Tully is a mighty good boy, a dear lover of horses and a splendid rider.

Would Mortgage the Farm.

A Farmer on Rural Route 2, Empire, Ga., W. A. Floyd by name, says: "Bucklen's Arnica Salve cured the two worst sores I ever saw: one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25c. at Penny's Drug Store.

Some one dropped a lighted match on the farm of Mrs. W. S. Potts in Nicholas county, which, because of the extreme drouth, immediately ignited the grass. Before the fire could be extinguished several acres had been over, and much fencing destroyed.

To quickly check a cold, druggists are dispensing everywhere, a clever Candy Cold Cure Tablet called Preventics. Preventics are also fine for feverish children. Take Preventics at the sneeze stage, to head off all colds. Box of 48—25c. Penny's Drug Store.

Italy during the next 16 years will spend \$107,000,000 to construct 992 miles of new railroads as well as to improve existing roads.

IN NEIGHBORING COUNTIES.

The \$12,000 residence of Judge S. B. Dishman, at Barbourville, one of the handsomest in Southeastern Kentucky, was destroyed by fire. The flames had made but little headway when discovered and the building might easily have been saved, but the lack of water handicapped the firemen.

J. H. Neff, one of the best known business men of Richmond, while driving home was thrown from his buggy when his horse became frightened and ran away, injuring him so severely that death resulted a few hours later. Mr. Neff was about 60 years of age, had been in the poultry business there for many years and was widely known throughout the country.

Chairman Mack Predicts Success.

Norman E. Mack, chairman of the Democratic National Committee, has made known the reasons upon which he bases his prediction that New York State may safely be regarded as Democratic this year, and they are as follows:

"The Democratic party in New York was never more united, not even in 1892, than it is this year. The State is never doubtful when the Democrats stand together. With a united party we find our opponents all 'shot to pieces.'"

"Some Republicans are opposing Roosevelt, others are against Hughes, while another faction is set against Taft. As an instance of the union of the Democratic forces, the National Democratic Club, of New York City, composed of 1,400 members, made up of bankers, merchants and professional men, opposed Bryan almost to a man in 1896 and 1900.

"I am told that 95 per cent. of the club membership is ready to support Bryan this year, and that the club recently passed resolutions indorsing him and has contributed \$2,500 with promise to contribute a like amount later. With this situation I feel that New York is not only safe for Bryan, but there will be a Democratic landslide."

MIDDLEBURG.

The fiscal court is in session at Liberty and several of our citizens are in attendance.

There are three cases of scarlet fever here and two at Yosemite. The school has been closed and considerable excitement prevails.

A difficulty arose on Doe Creek Tuesday between Bob Wells and Jas. Winkle, in which knives and other weapons were drawn, though none of them were used.

The vote on the graded school question at the close of the election here Saturday stood 87 for to 41 against the tax. Those who opposed the tax threw up the sponge at an early hour and went home, leaving it easy sailing for the advocates of the school. Q. R. Jones, W. P. Wesley, Coleman Luster, Jason Coffey and Dr. J. T. Wesley were elected trustees and it is presumed that an organization will be effected at once. There is much ill feeling among the Indian Creek people over the result of the vote, and it can not be denied that those people have cause for grievance. It is unfortunate for them that they should be cut off from school, but we have confidence in the ability and fairness of Supt. J. S. Lawhorn and feel sure the trouble will be amicably adjusted.

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart, and one to the kidneys. When these "inside nerves" fail, then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by Penny's Drug Store.

BANK.

Our New Concrete Fire Proof Bank Building.

We wish to call the public's attention to the fact that our New Concrete Fire Proof Bank Building is now completed and that we are now permanently located in same.

We needed better accommodations for our business and as we are amply able to pay for the building, we saw no good reason why we should not build it. Besides we think nothing too good for our friends, who by their generous patronage have made it possible to put up for their use so fine a structure; built solidly for all time, typical of our banking institution which is built as solidly and on as enduring a foundation.

This Bank studies the needs of its customers and properly takes care of them, whether their business is large or small; no business too large for us to handle and none too small to receive our closest attention.

We have the Modern Screw Door Burglar Proof Safe and our depositors are doubly secured by Bank Burglar Insurance; also our officers are bonded.

A cordial welcome awaits you at
